

I hope that everyone has had a nice weekend. Looking forward to warmer weather!!

We have been working on our conference check list this past week. The class has made so much progress since the beginning of the school year. Looking forward to sharing with you their accomplishments during our spring conference. You chose your conference times last week. I will send a reminder out as well. Our conferences will take place on Thursday, March 27th. There will be no school that day. Childcare is available during your conference time.

We will be having a Scholastic book fair during the week of our parent - teacher conferences - 3/27, 3/28 and the following week.

Our class will be having an Easter Egg hunt with the other 2 year old class on April 10th. Each child will need to send in 12 filled Easter eggs. They need to be nut free. A note with ideas of non-peanut items will come home soon. Egg hunt will be at 11:30 and you can come and help your child find eggs.

Easter Vacation begins on Thursday, April 17th and school will reopen on Monday, April 28th.

Blue Rocks tickets are still available. We have forms if you would like to purchase tickets.

Looking forward to seeing your children on Tuesday!!

Thanks for sharing your children with us!

Susan and Shelley
