

Welcome, Parents!

Mrs. A and I are so excited to have your children in our class this year. Concordia has been working hard to get ready for a wonderful new school year!

We will be using a car line again this year, but for arrival only, not pick-up. Our class will use the *downstairs* car line for drop-off. Drop-off will begin at 8:50 in the morning. Pick-up for children will be from the classroom. We will go over this in more detail at Parent Night.

You will be getting an invite in a separate email to join the private Facebook Group for our classroom. We will use this group to share information, pictures and updates about what's happening in our classroom. Feel free to invite grandparents, relatives, or other caregivers to the group. I will also be sending additional information and updates via email and the class newsletters. Please check these on a regular basis.

There will be a short Parent Night on September 8th at 7:00 p.m. This night is for parents only.

We will have classroom visit day on Wednesday the 9th. We have split the class into two groups for the visit. If at all possible, it is best that siblings do not come that morning. If it is necessary to bring siblings, please plan to come briefly for the visit towards the end of your assigned time to eliminate too many people in the room at once. Please see below for your designated visit time. We will be cleaning the room from 10:00- 10:15.

Please do not hesitate to reach out if you have questions or concerns before Parent Night.

We can't wait to see you all in September and are looking forward to a great year!
