

2s News September 2024

Dear Parents,

Welcome to Concordia! The beginning of school brings new experiences and sometimes a few tears. Please know, your child is in caring and knowledgeable hands. Meet our classroom staff:

Mrs. Spillan

I graduated from West Chester University with a degree in Health and Physical Education and Athletic Training. After working in Physical Therapy and Sports Medicine for 11 years, I needed hours that were more conducive to my young children. I began teaching here at Concordia and after 3 years became the Director. I have 18 additional credits in Early Childhood Education and Administration and have specialized credentials in Infants and Toddlers, Early Literacy and Administration.

My husband and I have been married for almost 30 years and have 2 grown children (both Concordia graduates!). Our son is a mechanical engineer and our daughter is a lawyer. I also have 2 yellow labradors and live in Hockessin. In my spare time, I love to read, walk at our local county and state parks and go to the beach. I'm ready for another great year and can't wait to get to know your children!

Mrs. Sink

This is my 2nd year at Concordia. I have 2 kiddos, Lily is in second grade and Leo is still at Concordia in the readiness program! My family and I have been in Delaware for 2 years now. We previously lived in Seattle and I grew up in NY. I was a nanny and preschool teacher for several years before I had my children and have been so excited to be back in it! I have a degree in early childhood education, as well as Montessori certification. I love doing art of all kinds and reading if I ever get a quiet minute. My favorite part about working with preschoolers is how truly excited they are to learn about anything and everything. I can't wait to see what your kids love doing!

Mrs. Savage

I started at Concordia in 2010 with a new 2 year old & a 3 week old baby in tow, I've since had 4 kids go through our school. During my time here, I've served as a classroom rep, advisory board president, executive board VP, on the book fair & dessert night committees and everything in between. When my youngest Sloane graduated, I found myself living at Target and Marshalls, so I began to substitute and loved working in the classroom. I'm a graduate of the University of Delaware and also work at Culinaria. In my spare time, you can find me on a tennis court, on the beach, still at Target & Marshalls or watching soccer/field hockey/basketball/tennis/baseball/softball/swim meets. I love the little ones and can't wait to get started with a new crew!

The month of September, our color of the month is red and our shape is a circle. We will also investigate our classroom and learn all about apples.

It's going to be a great couple of weeks!
Helen, Courtney and Cristina
