

5 day 4's May 2026 Newsletter

Classroom News

We are anxiously awaiting the arrival of our butterflies! Hopefully they will be here soon. We are talking about the life cycle of the caterpillar. We will be working on Mother's Day and Father's Day gifts this month. We will also be talking about animals that live on the farm and maybe take a trip to outer space! We finished up the alphabet with the letter Z and our classroom zoo. We hope you had a chance to check out all of the animals we made!

This Month

I can't believe I'm writing the May newsletter. Even though the end of the year is approaching we still have a lot to do. On Tuesday, May 12th we are going to Coverdale Farms. We will meet you there at 9:30 and you can pick them up at the farm at 11:30. Please have your child use the potty before dropping them off to us as the only bathrooms available are port o potties. Please make sure they are wearing good shoes since we will be doing a lot of walking. We will host our Alex's Lemonade stand on Thursday, May 7th. The children will make lemonade that day and will start selling lemonade at 11:45 in the parking lot. They can wear yellow if they want this day. We will explain to them that the money we raise will be donated to the children at the hospital to help them get medicine to get better. If it rains, we will set up the lemonade stands in the downstairs big room. Our Mother's Day Tea will be on Friday, May 8th. We will meet you at the downstairs doors at 10:30 and bring you to our class. We ask that siblings do not attend this. Tuesday, May 19th Clem Bowen will be coming to visit our school. He is a musical storyteller. Our 4 year old graduation will be on Thursday, May 21st at 11:15 in the chapel. Families are welcome to attend. This is our last day of school.

One final note...It is hard to believe the school year is coming to a close. It seems like we just started letter A week and here we are in May already. We would like to thank you for sharing your children with us. We have had such a great year working with them and we hope that they had as much fun as we did. We will miss them and we hope that you all have a great summer!
