

5 day 4's May 2024 Newsletter

Classroom News

We are anxiously awaiting the arrival of our butterflies! Hopefully they will be here soon. We are talking about the life cycle of the caterpillar. We will be working on Mother's Day and Father's Day gifts this month. We will also be talking about animals that live on the farm and maybe take a trip to outer space! We finished up the alphabet with the letter Z and our classroom zoo. We hope you had a chance to check out all of the animals we made!

This Month

I can't believe I'm writing the May newsletter. Even though the end of the year is approaching we still have a lot to do. Spring pictures with John Gallen will be on Thursday, May 2nd. He takes them outside on the playground, weather permitting. Our Mother's Day Tea will be on Friday, May 10th. You should have received a special invitation for this. We will host our Alex's Lemonade stand on Thursday, May 11th. The children will make lemonade that day and will start selling lemonade at 11:45 in the parking lot. They can wear yellow if they want this day. We will explain to them that the money we raise will be donated to the children at the hospital to help them get medicine to get better. If it rains, we will set up the lemonade stands in the downstairs big room. Clem Bowen will come to visit on 5/21. He is a singer/story teller. Our 4 year old graduation will be on Wednesday, May 22nd in the chapel. Families are welcome to attend. Our last day of class will be on Thursday, May 25th.

One final note...It is hard to believe the school year is coming to a close. It seems like we just started letter A week and here we are in May already. We would like to thank you for sharing your children with us. We have had such a great year working with them and we hope that they had as much fun as we did. We will miss them and we hope that you all have a great summer!
