

5 day 4's November 2025 Newsletter

Classroom News

During the month of October, we went camping for C week and made s'mores. I think they were a big hit! We made flubber, witches brew and Halloween crafts. We talked about the changing of the season to fall and what to look for outside. We picked pumpkins from our pumpkin patch field trip and talked about how pumpkins grow. We decided you could eat pumpkins but not like a squirrel. We need to open them up and cook them first! We ended with our Halloween parade and party. It was a busy month!

Important Dates

Wednesday, 11/12 – Picture Day

Friday, 11/15 – please return Thankful Feathers

Wednesday, 11/19– Thanksgiving chapel (please send in a canned good)

Wednesday, 11/19 – Thanksgiving feast (I will post a sign-up genius)

Tuesday, 11/25– our conferences. A sign-up genius will be sent out. Please note no classes this week.

Closed 11/26, 11/27, 11/28 No school Thanksgiving

Thursday, 12/18 – our Christmas show will be at 9:15 in the chapel and we will return to class after the show

This Month

We will start off November by sending home thankful feathers. Please spend some time working on this with your child. We are talking about what we are thankful for and they can put words or pictures of things they are thankful for on the feather. We will share these with the class. Please try to keep what you put on them flat because I would like to laminate them. We also have our picture day and our Thanksgiving Feast. I will send out a sign-up genius for items for our feast. I will be sending home a sheet to prepare for conferences. You can fill it out with any topics you would like to discuss or concerns you may have. I will send out a sign-up genius to sign-up for 15 minute time slots. Babysitting will be available in the Readiness Room for your scheduled time slot. If you can't make that day, please let me know and we can schedule for another day after school. We will also be discussing Native Americans and Pilgrims and talking about the first Thanksgiving. We will have Thanksgiving chapel and will be collecting canned goods to donate to a local food bank.

What We Are Learning This Month

Reading: Using books to learn about topics, for example, the First Thanksgiving

Math: Patterns, graphing our favorite Thanksgiving foods

Language: Answering open ended questions, talking with our friends in an inside voice and using our words.

Writing: Names, letters (G, H, I, J). We continue working on our alphabet journals and our fine motor skills.

Science: How do boats sail like the ones the pilgrims sailed on, the falling leaves and the changing of the trees as we head towards winter.
