

Wednesday March 1st

Hi!

We have a lot of fun things happening in the classroom.

This week your children will make gingerbread crafts to finish our gingerbread unit.

We will start working on the letter "S".

We have gym on Monday along Chapel and Music on Wednesday.

We will start making St. Patrick's Day crafts and talk about the month of March!

We are also working on a lot of sequencing, letter recognition, number recognition and cutting with scissors.

Reminder we have no school on Monday, March 13th.

Thank you for all you do and sharing your amazing children with us!

Ryan and Katie
