

We made it to the last month of school! This year has flown by. I have had so much fun watching all your children grow throughout the school year! This month we will be finishing up talking about caterpillars and butterflies. We will have a lot of fun playing outside and talking about flowers. We will be supporting Alex's Lemonade stand with our own lemonade stand on Friday, 5/8. Please arrive at 11:45am to purchase lemonade from your student!

This group really loves dinosaurs so we will do some extra dinosaur projects in May as well. As the year comes to an end, please feel free to reach out if you have any questions!

Dates to remember:

5/6 - No lunch bunch

5/8 - Lemonade stand

5/21 - Last day of school

5/26-5/29 - Camp week 1 (If you are signed up)

6/2-6/5 - Camp week 2 (If you are signed up)
