

## READINESS APRIL NEWSLETTER

And just like that, March is t over and we are ready for the Month of April. Time is flying by in our classroom. We have a jam packed April and May so be sure to read through our upcoming events and look at the calendar. We are also including a draft of our May calendar since it'll be here before we know!

This month we will finish our Alphabet and the children will be bringing home their coloring books and their Alphabet picture books. It's so cool to look through their pictures and see how much they've grown with their drawings.

We will have some exciting themes this month including Zoo week and Transportation week! Details are below. April also brings us Spring Conferences. A sign-up genius has been sent out for you to sign up for a time that works for you. As always, if you don't see a slot that works for you, I'm happy to meet with you another time.

Here's a look at what we are looking forward to for the remainder of the year.
