

If you have any questions or concerns - please let me know.

Happy December!! I hope everyone is enjoying this special time of year. The class has had fun painting and decorating their own Christmas tree. They love to paint and create! They also have fun decorating and undecorating our class Christmas tree! The class really enjoys interacting with each other. They play well together and enjoy talking to each other as well. We have a lot of fun spending time with them. They really enjoy some of the games that we play during group time. They love the game where they have to find where the mouse is hiding on our pocket chart. Always a fan favorite!

Now that it is getting colder - please make sure your child has mittens and a hat. We go outside, weather permitting. Thank you for your help with this. We are also collecting new hats and mittens to donate to needy children in our area. If you would like to participate, you may bring those items at drop off or pick up.

We will be having a class Christmas show on Thursday, December 16th at 9:15. It will take place in the sanctuary. Please have your child wear something Christmasy to the show. They are super cute singing their songs! Anyone who attends who is 5 and older must wear a mask. Thank you for your help with this. We are looking forward to seeing you there!
