

5 day 4's January 2022 Newsletter

Classroom News

We hope everyone had a great Christmas holiday! We had a very busy December getting ready for Christmas. We worked on crafts for Christmas, counted down the days until Santa arrived, made gifts, reindeer food and some even had a visit from Santa at school. Our trip on the Polar Express was fun! We hope they told you all about it! We also worked very hard on preparing our songs for the Christmas show. We hope everyone enjoyed it. We know how rehearsal goes but we are never sure what will happen the day of the show. We think they sounded great!

Important Dates

1/3– registration materials emailed to families

1/10 – registration opens to new families

1/17 – NO SCHOOL – Martin Luther King Day

1/24 – lunch bunch begins

This Month

Our letters this month are M, N, O, and P. This month we will also be talking about winter weather and animals that like winter weather such as penguins and polar bears. We will talk about how some animals hibernate in the winter and how some animals don't mind the cold. If we get any snow, we will do some experiments with it. We will keep our fingers crossed for at least a little bit. As long as the weather cooperates, we will try to get outside everyday so make sure everyone has their hats and mittens. Also, we have gym every Tuesday and music every Thursday. Please make sure your child is wearing sneakers for gym and music class. We do a lot of movement in these classes and we don't want anyone falling down. Friday specials resume on Friday, February 4. There is still room in karate and soccer if you haven't signed up already.

What We Are Learning This Month

Reading: Nursery rhymes, rhyming, blending

Math: 1 to 1 correspondence, sorting

Language: sound/word discrimination

Writing: Names and the letters M, N, O, and P
