

Wow! Can you believe it's 2026 already?! I hope you have had a nice and relaxing break with your kids. I'm excited to get back into the swing of things for this school year. Registration has started. This will open to new families on 1/12/26.

During the month of January, we will be talking a lot about winter and winter animals. We will also start working on our Art Fair projects. Art Fair is scheduled for Friday, February 20<sup>th</sup>. It's a fun night to come take a look at everything we have been working on!

We will also have our class stuffy join us this month! Lizzy the Lizard! Every child will take a turn with taking home our class stuffy for a week. You can journal with your child about her adventures with your family. Your child will then be able to share this with the class! My kids LOVED having their class stuffy at home with them. I hope the kiddos enjoy it!

#### **Dates to remember:**

Registration for next year has started
