

## READINESS APRIL NEWSLETTER

And just like that, March is over, and we are ready for the Month of April. Time is flying by in our classroom. This month we will finish our Alphabet and the children will be bringing home their coloring books and their Alphabet picture books. It's so cool to look through their pictures and see how much they've grown with their drawings.

We will have some exciting themes this month including Zoo week, and Transportation week! Details are below.
