

Dear Parents,

Concordia is excited to celebrate your child's birthday! Please coordinate a date with your teacher to mark this special occasion. Should you choose to send in a snack treat for the class, we ask that you follow the guidelines below.

Our staff has compiled a list of choices that are nut free and most students like. The options are brand and flavor specific. **Please do not substitute.**

- Entenmanns pop'em donut holes or mini donuts
- Kellogg's Prepackaged Rice Krispies Treats
- Cookies- Choice of Keebler fudge striped, Oreos (original/plain in the blue bag), Chips-A-Hoy original chocolate chip (in the blue bag)
- Philly Pretzel Factory soft pretzels

As we strive to maintain a nut-free environment, we thank you for your support and cooperation.

Fondly,
The Staff of Concordia Preschool
