

## Mrs. Doran and Mrs. I's Class

### 5 day 4's February 2026 Newsletter

#### Classroom News

We can't believe it's February already! January flew by! We spent a lot of time working on our Art Fair projects. We can't wait to show everyone what we have been working on! We worked our way through the letter P by eating pretzels and popcorn for snack! We are continuing our way through the alphabet. Hopefully we will eventually thaw out and will be able to go back outside at some point. In the next couple of weeks, we will be celebrating Valentine's Day, the Art Fair and our 100<sup>th</sup> day of school.

#### Important Dates

2/13 – Valentine's Day Party  
2/16 - No School President's Day  
2/17 - No School Teacher In-service  
2/20 – Art Fair 6-7:30 in the big room  
2/23– 100<sup>th</sup> Day of School! (as long as we don't have a snow day before then)

#### This Month

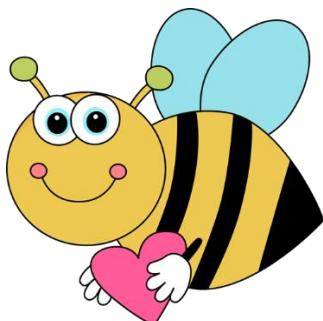

This month we will be working on Q, R, S and T. We talked about Ground Hog's Day and tried predicting whether the groundhog will see his shadow and what that means. We will be talking about Valentine's Day, and we will be having a Valentine's Day party. The children may bring in Valentines to give to their classmates. Each child will make a mailbag for the classroom and they can deliver the Valentine's when they come into school that morning. We will have the mailbags set up for them. I have attached a list of their classmate's names for them to use for their Valentines. When we return from our President's Day weekend we will talk about dental health and why it is important to brush your teeth. We are getting close to our 100<sup>th</sup> day of school. Barring any snow days our 100<sup>th</sup> day will be on Monday, February 23<sup>rd</sup>. We will have a special celebration that day in honor of our 100 days at school and we will count to 100 a lot of different ways! We will be having an ice cream party so look for a sign-up genius as we get closer if you would like to contribute something for our party. We will be focusing on rhyming in preparation for Dr. Seuss week which will be during the first week of March in honor of Dr. Seuss' birthday on March 2<sup>nd</sup>. If you would like to come in and read your favorite Dr. Seuss book to the class during the first week of March that would be great! You could come in at the beginning of our school day or at the end. I will post a sign up genius for this. Family members are welcome to come in and read to the class too!

#### What We Are Learning This Month

Literacy – writing names and words for Valentine's Day, rhyming

Math – continue 1:1 correspondence, number recognition and counting

Dental Health – why brushing and flossing is important

## Classmates Names for Valentines:

Cassie

Bailey
