

Happy March!!! Time is flying by! We are currently on the letter V in our alphabet books. They have shown much growth in their small motor skills. The class has done a great job using their pencils and cutting with scissors. We just recently began our number books. We are continuing to work on both letter and number recognition. The class has also been doing well with matching numbers to sets of objects. I am very proud of them!

The Reading Challenge booklets came home on Friday. They are due back by Friday. How the challenge works is when you read a book to your child - you then log in the title. When you have filled in all of the lines, you can return the booklet and your child will have the opportunity to choose a brand new book.

Conferences will take place for our class on Monday, March 28th. An email has been sent out for you to choose a time. Conferences will be 15 minutes long. Looking forward to meeting with all of you!

Mrs. Moore wanted me to remind everyone that on gym day she would like the class to wear sneakers. Easier to run in and less likely to slip and fall. Our gym day is on Mondays.

St. Patrick's day is coming up soon. We will be creating a Leprechaun trap to try and catch the elusive little guy. The kids really get into this. He usually leaves us a special gift too!

Our big fundraiser is coming up at the end of the month! Dessert night will be in the evening on March 31st. Ticket information came home last week. There are amazing themed baskets that you can bid on. Lots of yummy treats as well. This is the first time we can have it in person in 2 years! Hope everyone can make it!

Upcoming Dates:

March 14 - Teacher Inservice Day - No School

March 28th - Parent/Teacher Conference - child care is provided.

April 14 - Easter Break begins. Classes resume on April 25th.

Thank you for sharing your children with me!!

Susan Sims
