5 day 4's January 2026 Newsletter

Classroom News

We hope everyone had a great Christmas holiday! We had a very busy December getting ready for Christmas. We worked on crafts for Christmas, counted down the days until Santa arrived, made gifts, reindeer food and some even had a visit from Santa at school. Our movie day was a lot of fun too! We hope they told you all about it! We also worked very hard on preparing our songs for the Christmas show. We hope everyone enjoyed it. We know how rehearsal goes but we are never sure what will happen the day of the show. We think they sounded great! Thank you for all the great gifts! They were very thoughtful and very much appreciated.

Important Dates

1/5 - in-house registration begins

1/9 - Friday winter/spring specials session begins

1/19 – No School – Martin Luther King Day

Looking Ahead – our Art Fair is scheduled for Friday, 2/20 from 6:00-7:30

This Month

Our letters this month are M, N, O, and P. This month we will also be talking about winter weather and animals that like winter weather such as penguins and polar bears. We will talk about how some animals hibernate in the winter and how some animals don't mind the cold. If we get any snow, we will do some experiments with it. We will keep our fingers crossed for at least a little bit.   As long as the weather cooperates, we will try to get outside everyday so make sure everyone has their hats and mittens. We will also talk about kindness and how important it is to be kind to others.   The new session for Friday specials begins on Friday, January 9th.   For regular lunch bunch please sign up by the night before so we can have adequate staffing. We will spend part of this month working on projects for our Art Fair. More information will come home about it as we get closer but for planning purposes it will be held on Friday, February 20th from 6:00-7:30 pm in the big room. This is a family event so we hope to see everyone there!

What We Are Learning This Month

Reading: Rhyming, alliteration

Math: 1 to 1 correspondence, sorting

Language: sound/word discrimination

Writing: Names and the letters M, N, O, and P
