

Happy November!

We will be focusing on family and friendships as well as what we are thankful for. I will be sending home a family project for you to work on and return to school. Please decorate your feather with pictures of your friends, family, favorite foods, toys, etc. We will be making a big turkey to celebrate our families.

We have our Raise Craze Fundraiser this month, info should be coming home soon about how that works! As well as the in school scholastic book fair! They are always in need of volunteers to help run the register, it's very easy.

We will be doing some cooking and science experiments this month which is always fun and exciting for them. Our biggest thing this month is Parent teacher conferences! I'll send a signup out soon but our day will be Monday, November 24. Childcare is provided during your time slot, so kiddos and siblings are welcome.

Let us know if you need anything,

Mrs. Sink & Mrs. Sims
