

Welcome to the Five Day Fours! We are so excited to start the school year! Please join us for Parent Night on Tuesday, September 8th at 7:00 PM. Parent Night will begin in the chapel upstairs and you will then move to classroom to meet us, look around the room, and get some information about our class. On Thursday, September 10th we will have a meet and greet with the students. We are breaking it down into two groups to keep the number of people in the room low so it is less overwhelming. Please see the list below for each group. Our first day of school is Monday, September 14th. Our class will use the downstairs carline which begins at 8:50. If you need to drop off at both car lines, please drop off downstairs first. This eliminates left turns out of the upstairs carline. We will be setting up a class Facebook group and you should be receiving a separate email with an invitation to join. The Facebook link expires so please try to use it when you get it. If it expires or does not work, just email me and I will create a new link. If you have any questions, please feel free to reach out to us. Also, please respond just to let us know that you have received this email so we know the distribution list is correct. We are looking forward to a great year!

Enjoy the last few weeks of summer,
