

Hello!! I hope everyone had the chance to enjoy this beautiful weather today. We are looking forward to seeing your children tomorrow.

Picture day is tomorrow. This is optional. Forms were sent home. We are not having a class picture - just single pics. If you are interested please return your picture form tomorrow.

Our caterpillars are now in their chrysalises. Only a matter of time before we get butterflies!!

Alex's lemonade Stand for the 2's is on May 7th at 11:45. You will park upstairs and then walk down to the lemonade stand. Your child will serve you some lemonade. Please consider donating money to the lemonade stand - it goes to a great cause - going toward fighting childhood cancer.

I will not be at school on May 7th, but Mrs. Scott will be there in place of me. We are moving my son out of his dorm at Penn State that day.

Clem Bowen will be here on the 19th with the two year classes-he is lots of fun. He is a story teller/singer.

On May 21st we will meet at the playground at 11:45 to have popsicles on the playground for the two's. School year is flying by!! Last day of school!!
